3.2 TERMINATION

3.2.1 TERMINATION FOR CONVENIENCE - Either party may terminate this Agreement upon 30 days written notice to the other.

3.2.2 TERMINATION FOR CAUSE - If for any cause, the County or the Agency does not fulfill in a timely and proper manner its performance obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. The responsible party will correct the violation or failure within 30 working days. Customer is solely responsible for any damage caused in whole or in part by inaccurate or inadequate data, programs, or software furnished by Provider to the Customer.

4.1. THE COUNTY MAY PRIORITIZE PROVISION OF ACCESS.

The County may limit, control or prioritize the access described herein to any extent necessary to prevent such from unreasonably disrupting the County's operations and to prevent excessive interference with other essential functions of the County.

This may include scheduled shutdowns for backups or maintenance and unscheduled shutdowns due to hardware or software malfunctions.

Preventative maintenance will be scheduled a minimum two weeks in advance and attempt to minimize impacts to each user agency. Scheduled maintenance may result in loss of network access for a period of time.

4.3.2. SOFTWARE AND HARDWARE UPGRADES

Software and Hardware upgrades to the County network differ from normally scheduled maintenance. It is conceivable that an upgrade may cause the network to be unavailable up to a full day. In the event of an upgrade, the Customer will be informed a month prior to the scheduled upgrade time. 4.3.3. EMERGENCY MAINTENANCE

4.10. COUNTY NETWORK PROTECTION

The Customer is responsible for providing an acceptable operating environment for all equipment used to access the County network. The Customer is responsible for the security, power quality and cleanliness of the equipment environment. Equipment replacement due to damage resulting from, but not limited to, power surges, water damage, improper handling or extremely high temperatures is the responsibility of the Customer.

5. COUNTY NETWORK ACCESS SERVICE ESTIMATED COST

The County network access service will be billed based on actual costs incurred.
