

#C-124-2010

INTERLOCAL AGREEMENT

This Interlocal Agreement is entered into this 24th day of September, 2009 between the CITY OF COLVILLE, a municipal corporation, hereinafter known as the "CITY" and STEVENS COUNTY, a municipal corporation, hereinafter known as the "COUNTY."

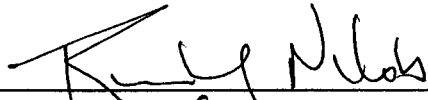

The County Sheriff's Ambulance Service has a Thermal imaging camera, Model #MSA 4000 Evolution, Serial #DO-8315FO3, which the City Fire Department could utilize in its operations. The Fire Chief and Sheriff's Ambulance Coordinator agree that it would be in the best interest of the City and County to allow the City Fire Department the use of the camera.

Therefore, the parties agree that Stevens County shall grant the use of the Thermal imaging camera to the City Fire Department on the condition that the City insure the camera for a value not less than \$12,000, and be responsible for the maintenance, training, calibration and proper storage of the unit.

The City shall also hold Stevens County harmless for any and all damages that may result from the acceptance of this equipment, including data loss.

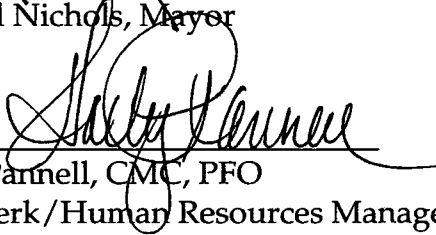

This agreement shall be for a three (3) year term expiring on October 31, 2012.
