RECITALS

1. The City is a municipal corporation located within the County of Stevens, State of Washington. At present, the City does not have a municipal court. In an effort to avoid duplication of services and to maximize efficiency and economy, the City agrees to enter into this agreement to have the County provide all services for processing, trial, adjudication and sentencing, of criminal cases and infractions arising in the City's jurisdiction. 3. The County established the 2011 rates each City/Town would pay for the services of the Stevens County District Court. The agreed formula calls for the 2011 District Court Budget to be allocated based on a percentage relating to each user. That percentage is to be determined by the average of the most recent

two and one-half (2 1/2) year history of case filings of each user. County cases shall include the civil and small claims cases. A copy of such determination is hereto attached.
