INTERLOCAL BIDDING/PURCHASING AGREEMENT GS1323
BETWEEN STEVENS COUNTY AND CLARK COUNTY

This Agreement is made and entered into by and between Stevens County, a Washington municipal corporation (hereinafter referred to as "Stevens County"), and Clark County, a Washington municipal corporation (hereinafter referred to as Clark County") (collectively "Parties").

WITNESSETH:

WHEREAS, the Parties maintain, for the benefit of the citizens of their respective jurisdictions, organized and standard bidding structures charged with the function of securing equipment, goods and services within the limits of applicable bidding laws of the State of Washington and the individual jurisdictions; and

WHEREAS, the Interlocal Cooperation Act, as amended, and codified in Chapter 39.34 of the Revised Code of Washington provides for Interlocal cooperation between governmental agencies; and

WHEREAS, it would be in the best interests of the citizens of the Parties' respective jurisdictions if, in some circumstances, goods and service could be purchased through a bidding process made up of more than one jurisdiction in the State of Washington; and

WHEREAS, the Parties hereto desire to enter into an Interlocal Cooperative Bidding/Purchasing Agreement ("Agreement") wherein the Parties can utilize each other's contracts to purchase equipment, goods and services where it is lawful and in their best interest;

NOW, THEREFORE, the Parties hereto agree as follows:

1. Cooperative Purchases.

Pursuant to Chapter 39.34 of the Revised Code of Washington, the Parties, in contracting for the purchase of goods and services for their County, agree to extend said contracts to the other party to the extent permitted by law. Once bidding has been finalized and the Parties have been notified, both Parties will finalize their own individual arrangements, including option selection, selections, trade-in and delivery arrangements for goods, services and equipment directly with the applicable contractor.

Stevens County and Clark County agree that each party has no liability as far as the durability, serviceability, and warranty of the goods, services, and equipment selected. It is also agreed that the goods, services, and equipment selected shall be agreed upon by each individual party and will not be considered to be selected by the other party.

Stevens County and Clark County do not warrant the performance of any contracts by the contractor, nor do Stevens County and the Clark County intend to bind each other to responsibility for payment of the purchase price for any contract entered into by the other party.

This Agreement is offered to allow the Parties the capability to purchase goods, services, and equipment designed specifically for their use and to take advantage of prices achieved by group participation.

2. No Obligation to Purchase.

Each party reserves the right to contract independently for the purchase of any particular class of goods or services with or without notice to the other party.

The Parties reserve the right to exclude the other party from any particular purchasing contract with or without notice to the other party.

3. Term.

This Agreement shall take effect immediately and shall continue in effect until terminated. It may be terminated by either party by giving ten (10) days written notice to the other; provided, however, that termination shall not affect or impair joint purchases of the Parties that were agreed to on or before the date of termination.

4. Compliance with Laws.

Each party accepts responsibility for compliance with federal, state, or local laws and regulations including, in particular, that party's bidding requirements applicable to the acquisition of any goods, services, or equipment obtained through the cooperative process agreed to herein.

5. Indemnification.

Stevens County agrees to indemnify, defend and hold Clark County, its elected officials, officers, employees, agents, and volunteers, harmless from any and all claims, demands, losses, actions and liabilities (including costs and all attorney fees) to or by any and all persons or entities, including, without limitation, their respective agents, licensees, or representatives, arising from, resulting from or connected with this Agreement to the extent caused by the negligent acts, errors or omissions of Stevens County, its elected officials, commissioners, officers, employees, agents, and volunteers, or by Stevens County's breach of this Agreement.

Clark County agrees to indemnify, defend and hold Stevens County, its elected officials, commissioners, officers, employees, agents and volunteers harmless from any and all claims, demands, losses, actions and liabilities (including costs and attorney fees) to or by any and all persons or entities, including without limitation, their respective agents, licensees, or representatives, arising from, resulting from or connected with this Agreement to the extent solely caused by the negligent acts, errors, or omissions of Clark County, its employees or agents.

6. Survival.
